

Contraception and sexual health service moves to CUH

From 24 March our contraception and sexual health (CASH) service will join up with our Sexual Health Centre at Croydon University Hospital, bringing all of our sexual health services under one roof

Sexual health 'one stop shop'

Walk in appointments Mon-Sat

8 mins from Croydon town centre

Our GUM and CASH centres are joining together on 24 March*

➔ A convenient 'one stop shop' service for all of your sexual health care. If you need treatment on the CUH site, you are just a couple of minutes from the hospital facilities

➔ Easily accessible from Croydon Town Centre by bus (approx 8mins) or on foot (approx. 15mins)

➔ £150k investment into the clinic to provide an even better service for our users

Our CASH service at CUH offers

- A full range of contraception including: pills, depot injection, implants and coils
- pregnancy testing and advice
- abortion referral and advice
- emergency contraception
- testing for STIs and HIV
- treatment for all STIs
- information and advice for contraception and STIs

Walk in clinic opening hours*

Mon 9am – 5.30pm
Tues 9am – 12pm
Tues 3.30pm – 5.30pm 18's and under only
Wed 11am – 5.30pm
Thurs 9am – 5.30pm
Fri 9am – 4pm
